21 WRC

- construction has started and nearing completion of truck fill station

- a letter will be sent to WC regarding cost over runs

- discussion WRC and Lakes of Muirfield

- WRC felt that there should be a formal ask from the county to start exploring the Scope of work for the Lakes of Muirfield

- information was presented that Rockyview Utility Corp was to continue for next 3 Months and that WRC would have to follow WC procurement policy

- WRC felt that it could take on Lakes of Muirfield without additional staff as an operator lives there but needs further study

- WRC is a municipal co-op owned and controlled by area municipalities

- WRC uses a 5% markup to fund reserves WRC is non-profit

- WRC was created to serve the municipalities at cost + 5%

- WRC asked the village of Rockyford to inquire from Alta Infrastructure about the possibility of including an office in the WTP at Standard

- Phase 4 funding to Hussar the province wants to know its future

- WRC, MPE and the village of Rockyford searched minutes back to the creation WRC

- nothing was found pertaining to governance structure

- Village of Rockyford provided a flow chart according to past practices of the Governance structure. WRC accepted as information

-WRC asked that the letter be sent to WC addressing comments made about WRC and  
accessing information
