Dear Reeve Link:

I am pleased to advise your council that your project, BF 00986 - Bridge Replacement, will be funded under the Strategic Transportation Infrastructure Program (STIP) – Local Road Bridge. Additional grant funding is being provided to this program to help stimulate economic recovery and support job creation.

Based on your submission/application, Wheatland County will receive a grant of 75 per cent of the estimated eligible project costs, or up to \$56,250 for the project under this program. The final grant amount will be based on the actual eligible costs at the time of the project completion up to a maximum grant of \$56,250. No cost increases could be considered.

Our government continues to make historic investments in roads, bridges, transit, and water infrastructure. This investment will help stimulate Alberta's economic recovery and get Albertans back to work.

Alberta Transportation staff will be in contact with your administration to formalize the funding agreement to undertake this work.

Sincerely,

Ric McIver  
Minister
