

WHEATLAND COUNTY

Where There's Room to Grow

Comment Summary

Date: September 1, 2020

Application: Bylaw 2020-26 Cannabis Production Facility LUB Amendments

Staff circulated to internal departments and external agencies. As the land use bylaw amendment impacted the entire County, staff posted the proposed amendments on the County's FaceBook page, the County's website, and in the Strathmore Times and Drumheller Mail.

EXTERNAL AGENCIES	
Vulcan	No concerns
INTERNAL DEPARTMENTS	
Agriculture and Environment	No concerns.
Public Works	No concerns.
Protective Services	<p>I have reviewed the 2 documents and don't have any comments to add.</p> <p>From a fire department perspective the key wording regarding reference to other standards/legislation is in place as well as mention of a proper water source. I think that wording staying generic is key as more of these type of facilities are built the various codes will be changing based off of lesson learnt</p>
Planning & Development	No concerns
