Dear Council of Wheatland County:

I am writing to offer my warm congratulations on the recent investment of \$815 million in irrigation infrastructure that your county will be benefitting from.

I know your county has an incredible number of innovative and productive agricultural producers, and I am very happy to see them benefit from this new infrastructure. It is great to see the already successful agricultural industry in your county continue to receive new investments and grow.

Once again, congratulations.

Sincerely,

Martin Shields, MP
