RE: Annexation of School Grounds

Our Village of Hussar and Wheatland County Intermunicipal Development Plan Section 2.4 discusses Urban Expansion for Hussar:

“While the Village does not require additional land for residential, commercial or industrial growth, the Village has expressed an interest to incorporate the former school land into the Village’s municipal boundaries. The former school property is located just across the municipal boundary and it seems logical to include it within the Village’s boundaries at some time in the future”

The Village of Hussar has recently purchased the former school grounds and on October 8, 2020 Council made a motion to begin the process of annexation. Council is requesting your support to begin the process of annexation for these lands. We also ask that you allow us to discuss the annexation in our Municipal Development Plan that is currently being written. Please see enclosed map
