**RE: CRISP Grant Expenditures 2019**

The Village of Rockyford used the accumulated CRISP grant funding for new sidewalks on Main Street; new streetlights on Main Street; a Kubota mower and a John Deere mower. The sidewalks and streetlights were done at a cost of \$274,513; the Kubota mower was \$24,000 and the John Deere mower was \$1,800.

Thank you for providing the opportunity for our Village to better our community.

Regards,

Elaine Macdonald, CLGM  
Municipal Administrator  
Village of Rockyford
