Key Issue(s) / Concepts Defined

Define the topic, reference background material and state question to be answered

This application is to create a new Direct Control district within NE-20-23-25-W4M. The landowner owns a recreational vehicle storage business on the site that was originally permitted in 2004 and renewed in 2009. The development permit expired in 2015 and the land needs to be redesignated to accommodate a new development permit as recreational vehicle storage is no longer allowed as a use on an Agricultural General Parcel. The applicant is also proposing adding 'Outdoor Storage as a discretionary use on site. No complaints have been received in relation to the operation.

The proposed Direct Control (DC) district consists of 2 development cells:

- Cell 1 will be a Recreational Vehicle Storage Cell; and
- Cell 2 will be a Residential Cell.

This redesignation is to accommodate the existing residence and recreational vehicle storage business. The remainder of the parcel will remain Agricultural General.
