Define the topic, reference background material and state question to be answered

The purpose of this application is to redesignate +/- 3.00 acres within SW-11-24-26-W4M from Agricultural General (A-G) District to Industrial General (I-G) District. The landowners operate a stair construction business on the parcel that has been permitted since 2005 and has received no complaints. This redesignation will facilitate a future subdivision so the owners can have separate titles for their residence and business.
