RECOMMENDATION: THAT Council approve the Intermunicipal Collaboration Framework agreement between Wheatland County and The Village of Standard, as presented.

GM Comments

Any additional comments regarding the reason for the recommendation

The approval of the ICF ensures that the Wheatland County and the Village of Standard are meeting their legislatively required deadline for approval of ICFs. As a County, we do have the ability for 1-2 (one to two) year time extensions for completing our ICFs.

Key Issue(s) / Concepts Defined

Define the topic, reference background material and state question to be answered

Attached is the formal draft of the proposed ICF Agreement with the Village of Standard. This document has been reviewed and refined by both Administrations. Councils of both municipalities also reviewed the drafts.

The content of the ICF document will be similar to many of Wheatland County's ICF agreements with its neighbouring municipalities. The content of these streamlined ICF Agreements meet the basic legislated requirements that the province requests through the modernized *Municipal Government Act*, and recent amendments with Bill 25 and the *Red Tape Reduction Implementation Act*.

Given the limited amount of direct interaction between both organizations when it comes to providing services for residents that reside within each jurisdiction, there is limited need to reference any matters beyond the basic requirements that the ICFs contain mechanisms for

working together on matters of mutual interest, and resolving conflicts if / when differences arise.
