Key Issue(s) / Concepts Defined

Define the topic, reference background material and state question to be answered

Wheatland County forces apply dust abatement measures every year in the County. Ratepayers are able to apply for this dust abatement adjacent to their properties for a fee. This fee is based on the material costs of either calcium chloride or oil and gravel. The labour and equipment costs are funded by the County as per Dust Control Policy 9.4.3.

Relevant Policy / Practices / Legislation

Cite existing policies, practices and/or legislation

As per Wheatland County Policy 9.4.3, dust abatement rates will be set prior to the first week in April.

Strategic Relevance

Reference to goals or priorities of current work program

Dust control is a standard component of Wheatland County's annual operations.
